

VASA WHO WE ARE

We are a non-profit organization representing licensed sign contractors and retail sign shops, sign installers, sign representatives, sign suppliers, sign product manufacturers, and parties of interest in or doing business in the state of Virginia.

VASA WHY WE ARE

Because every sign company or related business needs to be involved with an association that looks out for and defends its members' common interest and whose collected efforts and accomplishments far surpass that of any individual company.

VASA WE STRIVE

To promote and establish cordial and cooperative relationships among all the members of the sign industry.

To form a united front for various businesses engaged in other types of sign businesses for the purpose of representing the industry wherever needed in state and federal legislation, municipal and county ordinance, codes, zoning, regulations and any other matters affecting the sign industry as a whole or in part.

To work towards harmonious relations and better understanding in establishing high standards of operation and business ethics in the sign industry.

And, to plan, prepare and produce publicity and educational programs favorable to the sign industry as a whole, and to use every available opportunity to get such information to the general public.
